## Careers Information Advice and Guidance

We are a small team of professionally qualified Careers Advisers are based in the Careers Plus hub in the atrium of Central Campus.

We offer careers information, advice and guidance to support students with:

- Exploring career ideas and the local job market
- Understanding options including academic pathways, vocational pathways, Higher Education, apprenticeships and employment
- Making successful transitions from college into employment, education or training
- Raising aspirations
- Job seeking support including writing CVs and preparing for interviews

# Careers Programme

Your Sandwell College Careers Programme will include

- Access to Careers Information, Advice and Guidance
- Access to Careers Packages
- Access to information on the Student SharePoint Hub
- Access to programme “In Apprenticeships: Learn, Develop, Grow”
- Careers Events and Activities

## Careers Information

All students at Sandwell College have access to dedicated Careers software

The Careers Team have created course pages on the the Student SharePoint Hub App where you can find important information, interactive presentations and links to trusted websites

THE CAREERS &  
ENTERPRISE  
COMPANY

In apprenticeships:  
**For current  
apprentices**

Currently In An Apprenticeship? This FREE Programme From Youth Employment UK And Their Partners The Careers & Enterprise Company Helps You Build Career Confidence During Your Training.
